Description

Description:

Rimmel London Magnif' Eyes Eye Contouring Palette is an every-day-palette for multiple looks and eye shapes. It consists of light, medium and dark shades.

Features:

- Rich, intense, longlasting color.
- Crease-proof.
- Can be used wet to line the eyes and give definition.

Use:

Apply a light shade all over the lid up to the brow bone.
Choose a medium shade to add depth.
Use one of the darker shades for contouring and definition.
For a more intense look, use darkset shade in crease and lower lash line.
