Description

Description:

Rogé Cavailles Intense-LP Roll-On is a deodorant specially created for intense perspiration of the armpits. Its prolonged liberation (LP) formula ensures 24 hours of protection and efficiency against odours. It integrates a new generation technology: active micro-capsules. Its formula thus liberates active ingredients in continue and controls the perspiration flow of sweat glands. The formula without paraben, clinically tested and hypoallergenic respects all skin types, even the most sensitive ones.

Use:

Apply morning and/or evening under armpits.
