Description

Description:

Rogé Cavailès Deo-Roll-On Intensive Care contains a new long-lasting regulating complex, composed of :

- A highly dosed anti-perspiring active ingredient, which directly acts to the production of sweat to effectively reduce it to a lower level after use.

- Encapsulated menthol which, from the apparition of bad smells, will gradually be released to cover them.
- Talc, natural ingredient recognized for its absorbing capacity, which will capture perspiration from the formation and thus let your armpits dry.
- Allantoin, which helps to regulate perspiration through its action on skin pores.

Paraben free, Alcohol free, Hypoallergenic.
Dermatologically tested.
