### Description

**Description:**

Moisturizes hair and scalp with the wheat protein Hydro-Balancing-Complex to counteract dryness. Supports and protects the natural barrier function of the scalp's acid mantle. Stabilizes the hair structure with the pH value of 5.5.

**Features:**

- 100% Alkali and Soap-free
- Moisturizes hair and scalp with the wheat protein Hydro-Balancing-Complex to counteract dryness
- Lipid crystals and UV filter form an ultra-fine protective shine-enhancing film
- Soothing, protective active ingredients and pH 5.5 calm scalp irritation
- Gives long lasting colour brilliance
- Facilitates easy combing
- Without silicon oils

**Use:**

To get the maximum effect of the active ingredients you should leave it on for 2 minutes before rinse-off.
