Description

### Description:

Solaray® Flaxseed Oil is made with organic flaxseed and offers one of nature's most plentiful sources of omega-3 fatty acids with a healthy complement of omega-6 and omega-9 fatty acids.

To help maintain potency, the Solaray® brand has included Duralox® oxidation inhibitor, a natural antioxidant system, to help control lipid peroxide levels. Flaxseed oil contains compounds known as lignans. Lignans are phytoestrogens. Solaray® Flaxseed Oil is 100% expeller pressed, unrefined and unfiltered to provide the purest form available. No solvents have been used.

Organic Flaxseed Oil 3g

Supplying: 1650 Mg Alpha Linolenic Acid (Omega-3), 420 Mg Linoleic Acid (Omega-6), And 480 Mg Oleic Acid (Omega-9).

### Use:

Use only as directed. Take three softgels three times daily with a meal or glass of water.
