Description

**Description:**

Chromium Picolinate 500 mcg from Solaray is a top-of-the-line supplement containing the finest form of chromium available for daily use.

Chromium Picolinate 500 mcg from Solaray is made with trivalent chromium. This form of calcium is the most desired because it's easily absorbed by the body for proper utilization of glucose. Chromium supplements are recommended for nutritive support for anyone who needs to regulate their blood sugar. Chromium helps trigger the correct insulin action to prevent any spikes or crashes in blood sugar levels.

**Use:**

Take one tablet daily with a meal or glass of water.
