Description

Description:

Solgar Omega 3-6-9 60 Softgels, this formula provides a blend of three premium oils - fish, flax and borage, which all contribute essential fatty acids necessary for optimal health and well-being. These essential fatty acids promote the health and function of a variety of organs and systems including those of the heart, joints and skin. Molecular distillation is employed to remove mercury, PCBs and other heavy metal contaminants.

FREE OF: Gluten, Wheat, Dairy, Yeast, Sugar, Sodium, Artificial Flavor, Sweetener, Preservatives and Color.

Use:

As a dietary supplement for adults, take three (3) softgels daily, preferably at mealtime, or as directed by a healthcare practitioner.
