Description

Sona MultiPlus Capsules provide a comprehensive supply of essential vitamins, minerals, trace elements and anti-oxidants as well as Ginseng and Omega 3 fatty acids, unlike any other supplement. The high potency formulation is made to support the nutritional needs of an active and busy lifestyle to help energy release and overall vitality.

The nutrients in Multiplus capsules contribute to a wide range of functions in the body:

B vitamins (Niacin, Pantothenic acid, B2, B6, B12 and Biotin), Vitamin C and iron are important for energy metabolism and the reduction of tiredness and fatigue. Pantothenic acid is important for mental performance, while iron, iodine and zinc are important for normal cognitive function.

Copper, zinc, iron, selenium, vitamins A, C, B6, B12 and D are important for normal function of the immune system.

Vitamins B2, C and E as well as manganese, selenium, copper and zinc help to protect cells from oxidative damage (anti-oxidants).

Zinc, biotin and copper contribute to the maintenance of normal hair and skin. Selenium is important for the maintenance of normal nails. Vitamin C contributes to collagen formation for the normal function of skin, teeth and gums.

Wheat free, gluten free, egg free, preservative free, dairy free, GMO free, Coeliac Suitable.

HOW TO USE:

Adults: Take 1 capsule daily with the main meal of the day or as directed by your health professional.

Do not exceed recommended dosage. Pregnant and lactating women should consult with their doctors before taking this or any other supplement. Store in a cool dry place, 15-25 degrees, out of direct sunlight. Keep out of reach of children. A supplement is not a replacement for a healthy diet.
