Description

Description:

SPLAT award winning natural kids toothpaste is for children 6-11 years of age. It's 98% natural and free from fluoride. It strengthens tooth enamel, promotes healthy gums, protects teeth against tooth decay and is available in two flavours.

SPLAT Junior toothpaste with a unique taste of bubble gum contains active calcium, cranberry and pomegranate extracts, vitamins A and E.

Key ingredients:

LUCTATOL™, Hydroxyapatite, herbal extracts and vitamins.

Free from:

Fluoride, parabens, SLES, triclosan, chlorhexidine, aggressive abrasives, synthetic dyes and fragrances, alcohol, peroxides, saccharin, GMO, alcohol ethoxylates, gluten, refined petroleum products.

Splat Junior Toothpaste for Kids

Made in Russia

Use:

Teeth should be brushed twice a day after meals. Children are recommended to brush their teeth in the presence of an adult, using a pea-sized amount of toothpaste.
