Description

Description:

Sterimar Baby Nasal Hygiene Spray is a natural sea water spray which gently rinses out your baby's nose. The spray is suitable for babies aged 0-3 months.

- The spray helps to clear mucus from the baby's nose which helps with breathing and bottle feeding.
- Stimulates the natural defences of the nasal lining.
- It assists with ENT disorders.
- 50ml Microdiffusion Spray.
- 100% Natural - Made from Sea Water.
- Very Gentle Spray - Baby's Nozzle.
- Suitable from birth onwards.
