### Description

**Description:**

Strivectin Tightening Body Cream

This rich, nourishing body moisturizer hydrates and softens for tighter, smoother feeling skin. A combination of caffeine and peptides helps enhance definition and promote firmness. Patented NIA-114™ technology strengthens the skin barrier to retain vital moisture. Over time, skin elasticity and resiliency are improved, leaving skin visibly toned and revitalized.

- Instantly tightens skin surface and smooths texture
- Hydrates and softens, leaving skin feeling firmer
- Helps improve elasticity and resiliency for visibly toned skin

**Directions:**

Massage on skin, concentrating on areas of concern. For optimal results, use AM and PM.
