Description

Description:

This lightweight, non-greasy neck serum leaves the neck area feeling instantly firmer. Formulated with a combination of polymers and NIA-114™ technology, the formula helps strengthen the skin barrier to retain vital moisture for a hydrated, more supple feel. Applied with an innovative massage roller applicator, the serum absorbs immediately into skin. Over time, resiliency and elasticity are improved, visibly enhancing neck and facial contours for a more defined and youthful appearance.

- . Instantly tightens skin surface as it firms and lifts the neck area
- . Innovative massage roller glides on easily to more effectively tighten neck and profile
- . Helps lift and create a more defined profile while smoothing and hydrating skin

Strivectin Tightening Neck Serum Roller

Directions:

Turn applicator to ON position and gently roll over neck and jawline while lightly squeezing tube to release serum. Return applicator to OFF position and continue massaging product into skin. Use both AM and PM. May be used any time of day for an instant pick me up.
