Description

Description:

you're looking for a pore refiner that's gentle on your skin, this is the one. It's a retinol-based formula that's designed to improve cell turnover and deliver both instant and long-term visible pore reduction. It also delivers superior age fighting results, while purifying and refining skin tone and texture. Leaves skin mattified, fresher and more youthful looking.

- Improves cell turnover and delivers both instant and long-term visible pore reduction
- Delivers superior age fighting results, while purifying and refining skin tone and texture
- Leaves skin mattified, fresher and more youthful looking

Directions:

Apply all over clean face in the AM and PM. Use as the last step in your skincare routine. Apply after sunscreen for an optimal mattifying effect.
