Description

Description:

Age shows fastest on the face and the neck so do something to slow it down. The StriVectin TL Advanced Tightening Face and Neck Cream helps you to lift, tone and plump up your skin to achieve a more youthful look. With the unique Gravitite-CF Lifting Complex™ made from technologically advanced ingredients, the cream literally defies gravity, reducing the appearance of sagging and improving elasticity. The result is soft and supple skin that feels and looks young. Delivering a defined silhouette over time. LB

Directions:

Apply to clean skin on neck and jawline in the AM and PM. Gently massage into skin with an upward motion.
