Description

SVR Sebiaclear Active Cream is an anti-acne care with a long-lasting moisturizing and mattifying action that eliminates imperfections and reduces facial marks caused by acne, while being an excellent make-up base. An intensive care for spots, blackheads and severe imperfections specially formulated for the sensitive to acne-prone skins.

This complete care made a reinforced action as it allows to eliminate effectively the spots and blackheads. Indeed, it corrects the pores and controls shine. The residual marks present on your face starts to reduce visibly.

SVR Sebiaclear Active

SVR Sebiaclear Active Cream contains dermatologic actives as niacinamide that curbs the proliferation of bacteria and also eliminates blemishes caused by inflammation. It contains also Gluconolactone associated to salicylic acid and a mattifying agent that will allow to refine the skin texture, unblock clogged pores, limit the formation of blemishes and regulate sebum excess.

Its oil-free formula insures a lasting moisturizing and mattifying action and do not leaves any oily finish on your skin. It insures an excellent make-up base.

Formulated with paraben free. Tested on sensitive acne-prone skin.

How to use :

Apply in the morning and/or evening to thoroughly cleansed face. Use alone or in addition to dermatological treatments.
