Description

Sensifine AR Micellar Water gently removes makeup and soothes the face, lips as well as eyes of sensitive prone to redness skins. In addition, it is a cooling micellar water formulated with a moisturizing agent and niacinamide for gentle makeup removal, even waterproof make-up.

Benefits:

- Gently cleanses the skin
- Reduces feelings of tightness
- Soothes feelings of heat
- Immediately calms the skin

How does it work?

Sensifine AR Micellar Water is suitable for all skin types, even the most sensitive. It is a formula based on ultra-mild surfactants, soothing niacinamide in addition to hydrating agents. Without perfume, alcohol, paraben, mineral oil. Dermatologically tested, ophthalmic tested. Moreover, it is suitable for contact lens wearers.

How To Use It?

Apply with a cotton pad then place on areas suffering from redness for a few seconds to cool them. Finally, sweep gently over the skin to remove makeup as well as impurities.
