Description

SVR Spirial 48h Intense Anti-Perspirant Deodorant Roll-on is a hypoallergenic deodorant that regulates perspiration and absorbs humidity. In addition, it fights bad odors on the armpits of even the most sensitive skin.

SVR Spirial 48h Roll-on with intense 48-hour antiperspirant action is with a high concentration of sweat-regulating agents. Moreover, its non-sticky texture dries rapidly. Thus, it leaves the skin soft with no white marks.

Features:

- Fragrance-free.
- Very well tolerated
- Suitable for children (7+) as well as adults to maintain normal perspiration levels.

Main Ingredients :

- 9% Aluminum hydrochloride with antiperspirant efficacy;
- 2% Absorbent microspheres with absorbing properties;
- Triethylcitrate with deodorant efficacy.

How to use :

Apply SVR Roll-On once a day on the armpits and reapply whenever necessary.
