Description

Description:

Enjoy your sweet moments naturally with Sweet'n Low stevia, a low calorie sweetener made with naturally sourced stevia. The stevia plant is found in South America and Asia and has been used indigenously for over 400 years. Sweet'n Low stevia tastes great with less than 3 calories per serving.

Use:

Sweeten hot and cold beverages such as a cup of coffee or tea.
Sprinkle it on cereal or douse a piece of fruit. You can cook and bake with it too.
