### Description

Swiss Energy Super Energy is a powerful combination of vitamins and supplements.

Taurine is an amino acid that supports nervous system activity and improves physical as well as mental performance.

Glucuronolactone is widely known to improve reaction time, concentration as well as memory.

Moreover, Caffeine stimulates the function of the nervous system.

Guarana reduces signs of fatigue. Recommended for lack of concentration, during physical exercise, in addition to low ability to work.

Swiss Energy Super Energy is lactose and gluten free.

**Use:**

Take 1 tablet daily. Dissolve 1 tablet in 200ml of water.
