Description

Description:

This dual phase eye make up remover enriched with Alpine Glacier Water, is specially formulated to whisk away even waterproof make up from the delicate area around the eyes and care for your eye lashes.

Features:

- Gently removes stubborn eye and waterproof makeup
- Dissolves and lifts away debris and flakes from the eye makeup
- Does not leave greasy residue
- Ophthalmologically tested

Use:

Shake well ensuring the two phases mix well.

Swiss Image Double Action Eye Make-up Remover

Dispense onto a cotton pad and apply on closed eyelids to gently remove make-up
