### Description

**Description:**

SunCare Bronzing Beauty Oil Spray provides ultimate sun care which accelerates a natural, long lasting tan and delivers broad-spectrum protection against the damaging effects of UVA and UV irradiation, dryness and extreme temperatures. For a beautiful, glowing and long lasting sun-kissed tan and perfectly hydrated and collagen boosted skin.

**Features:**

- Water resistant
- Anti-aging
- Dermatologically tested
- Anti-free radical

**Use:**

Spray and apply liberally and evenly before sun exposure. Re-apply after swimming, perspiring and immediately after towel drying or prolonged sun exposure. For use on face, spray into hand and apply avoiding contact with eyes. Lower amounts will reduce the level of protection significantly.
