Description

Description:

Tempur Symphony Pillow is a softer formulated TEMPUR material harmonises perfectly with this dual-sided design to provide a softer, yet supportive pillow for side or back sleepers. The gently arched side provides additional head and neck support for back sleepers, while the other side delivers a more traditional pillow feel and works well for side sleepers

Contoured from TEMPUR® materials, each design has a specific purpose. Choose the pillow that fits your sleep needs, and also feels most comfortable to your shape.

Cleaning and maintenance:

The TEMPUR material can not be washed or dry cleaned. To clean a TEMPUR product, remove the cover and ventilate the TEMPUR material, or wipe it off carefully using a well-wrung cloth to remove any stains or dirt from the surface. TEMPUR is produced with an environmentally friendly, bacteria reducing component, which prevents bacterial and fungal growth. However, TEMPUR products should be regularly ventilated

Tempur Symphony Pillow

to remove any moisture and TEMPUR Mattresses must always be placed on a ventilated bed base, to prevent moisture accumulating.

Pillow cover care and cleaning:

- Cover composition: 75% cotton, 25% polyester laminated to a thin layer of soft foam.
- Filled with supportive pressure relieving TEMPUR Material
- Wash at or below 60 degree
- Do not bleach
- Tumble drying (low temperature)
- Do not iron
- Do not dry clean

Available Size: 63x43x12.5 cm
