### Description

**Description:**

Suffering from an injury to the shoulder or elbow can cause a great deal of pain and if you're advised to immobilise the area, not doing so will usually make the condition worse. The Thuasne Immo Classic Shoulder and Elbow Immobiliser has a stabilising sleeve to effectively immobilise the elbow and shoulder so you can recover from your injury quickly.

**Features:**

- Provides immobilisation of the elbow
- Adjustable protective foam pads
- Pads provide optimal shoulder and neck comfort
- Additional adjustable strap and abdominal strap
- Straps ensure you remain comfortable
- Straps hold immobiliser in place

- Supplied in a black and blue design
- Immobiliser is easy to use

### **How Do I Know Which Size to Buy?**

The Immo Classic is available in four sizes. To find out which size will support you best, measure the circumference of your waist at the level of your navel. This is because the immobiliser has an abdominal strap so you remain comfortable and supported at all times.
