Description

Description:

Whether you're an athlete, hardcore gamer, or simply work at a computer all day, THERA°PEARL's Ankle/Wrist Wrap has the relief you'll need to continue kicking soccer balls, slaying zombies, and sending emails, pain-free. Don't let sprains and strains keep you from doing the things you love (or need) to do. Our Ankle/Wrist Wrap is doctor-designed and filled with pliable gel pearls that easily conform to your body, even when frozen. Conforms to your body to deliver soothing relief from: sprains/swelling, Carpal tunnel syndrome, arthritis/Tendonitis & more.

Chill it in the fridge or freezer for analgesic cold, or pop it in the microwave for penetrating heat. The pack holds its therapeutic temperature for a full 20 minutes. You'll be back on your feet, controller, or keyboard, in no time.

Dimensions: (35.13cm x 10.79cm)
