Description

Description:

When your children are hurt, you want to make it all better, NOW. For a fast, drug-free way to fix a boo-boo or soothe an insect sting try THERA°PEARL Pals. These colorful, kid-sized animal friends calm and comfort as they heal. Kids love to play with the packs so much, they won't fuss or fidget!

Pals won a "Parent Tested-Parent Approved" Award for quality and appeal. An independent lab has verified there are no heavy metals, VOCs or BPAs. They're safe, hypoallergenic, reusable, and won't drip or leak. You'll feel good about using them, and so will your kids.

Just chill a Pal in the fridge or freezer, or pop it in the microwave. Apply the cold or heat for up to 20 minutes.
