Manufacturer [THUASNE](#)

Description

Features:

- Resistant : thanks to the nature of Egyptian cotton fibre and the twisting applied to the yarn
- Washable in washing machine to 40°C
- Easy to put on : the sock is stretchable in height and width
- Comfortable : thanks to the stitching on the top of the foot and the absence of lapels

-Compression: 15-20 mmHg
-Color: Black

Size indication:

ID : Floor-to-knee length (measurement taken below the popliteal fossa, posterior aspect)
cB : Ankle circumference (at narrowest point)
cC : Calf circumference (at widest point)
