Description

Description:

AC ACTIVE CARE has been specifically developed for sensitive acne-prone skin with severe imperfections for teenagers and adults. The combination of complementary sebo-correcting, keratolytic and antibacterial ingredients ensures effectiveness and tolerance. This care helps to remove spots and blackheads, soothes redness and reduces residual marks. The skin is cleaner, smoother, soothed and moisturized. Hypoallergenic. Non comedogenic. Paraben free.

Use:

Apply morning and/or evening on the face and neck.
