Description

Description:

AC CLEANSING PURIFYING GEL has been specifically developed for oily and sensitive skin. The cleansing soap-free base purifies and gently cleans without drying the skin, eliminating impurities and excess sebum. The skin is clean and fresh. Tested under dermatological and ophthalmological control. Soap free. Paraben free.

Use:

Apply to wet face and neck lather, then rinse. Follow with application of AC Active Care or AC Compensating Moisturizing Cream.
