Description

Description:

Topicrem Essentials Ultra-Moisturizing Body Milk is an unctuous emulsion which moisturizes dry and sensitive skins for 24h. Enriched with moisturizing (urea 2%, glycerin 9.5%), protector and nourishing agents, this care penetrates instantly and eliminates all signs of dry skin. It is particularly suitable for dry, dehydrated skin (by cold, by sun...) as well as children's fragile skin. Paraben-free.

Use:

Apply, massaging gently for durable hydration.
