Description

Description:

PV CLEANSING GEL Body & Hair Scalp is a cleansing product specially designed for skin subject to flaking. Formulated on the basis of Piroctone Olamine (1%), it facilitates the detachment of flaky skin, permits slow their proliferation, helps elimination of dandruff and contributes to skin comfort. Unique dermo-cosmetic product for body, scalp and external intimate area. Designed for skin subject to flaking. Can be used on body and hair scalp; It cleans delicately (the external intimate area), leaves the skin moisturized, respects, soothes and protects (the external intimate area); It soothes the discomfort and is suitable for external sensitive mucosal. Tested under dermatological and gynaecological control. Hypoallergenic.

Use:

Apply to damp skin and hair, leave to act for 5 minutes and rinse abundantly.
