Description

Description:

Topicrem Sensitive Skin Face and Body 200ml is a gentle scrub for the face and body adapted to the sensitive skins. It allows to exfoliate, smooth and refine the skin texture.

This gentle scrub in form of a gel has been specially formulated in order to respect all types of skins. It is enriched in Jojoba pearls which eliminate all the dead cells while smoothing and refining the skin texture.

This scrub assures you a skin renewal effect instantly. Your skin is thus clear and soft, perfectly supple and ready to receive the cares.

Paraben free.

Tested under dermatologic control.

Use:

Apply 1 or 2 times per week on a wet skin by soft massage on the face, more energetic on the body then rinse.
