Description

Description:

The first barrier lip balm formulated with Poly-2p, an innovative patented complex, which offers a triple action. A high tolerance and long-lasting formula that is suitable for both professional and personal use.

Features:

- Insulates the skin's surface: the combination of two polymers provides an insulating action on the skin's surface to prevent future aggressions.
- Deeply regenerates: the combination of two polymers repairs chapped and damaged lips.
- Soothes: phytosterols immediately soothe dry chapped lips, restoring greater comfort.
- Hypoallergenic
- Fragrance-free

Use:

Apply to lips as often as needed, using the tapered end.
