Description

**Description:**

HYSÉAC A.I care provides early, unique and patented action against the formation of blemishes. It helps to eliminate blemishes quickly and limits residual marks thanks to the patented innovation of TLR2-REGUL. The skin looks clearer, regaining even tone and radiance.

**Reduces imperfections**

Thanks to the patented TLR2-REGUL complex, this treatment delivers early action against the formation of blemishes.

**Mattifies**

Enriched with Licorice extract, it absorbs excess sebum and provides a long-lasting matte effect.

**Hypoallergenic**

**Non-comedogenic**

**Non-oily**

**Use:**

Apply once or twice a day to perfectly cleansed (with HYSÉAC Gel Nettoyant) and dry skin. Avoid the eye contour. During sun exposure, use HYSÉAC Fluide SPF30 or SPF50+

**Reviews**
