Description

Description:

Uriage Thermal Micellar Waters are perfectly suited for removing make-up from all skin types, thanks to the unique properties of Uriage Thermal Water. The micelles' gentle, non-ionic constituent surfactants act like magnets to effectively capture make-up and impurities.

Cleanse and remove make-up

This micellar water with gentle non-ionic surfactants gently eliminates make-up and impurities.

Moisturizes

Enriched in Cranberry extract, this product moisturizes the skin, leaving it smooth and supple.

Protects against dryness

Enriched with moisturizing Uriage Thermal Water.

Hypoallergenic

Ophthalmologically tested

Use:

Uriage Thermal Micellar Water

Soak a cotton pad with Thermal Micellar Water and gently wipe over the face, eyes and neck to cleanse in a single step, without rinsing. Complete the eye make-up removal with the Waterproof Eye Make-up Remover. Spray Uriage Thermal Water all over the face and let it penetrate. Do not dry. Finish by applying your daily care product.
