Description

Description:

Ovafemme is a dietary supplement which improves ovarian function.

Features:

- Myo-Inositol and D-Chiro Inositol reduce androgen levels and help restore ovulatory function. Their combination is an effective approach for treating polycystic ovary syndrome (PCOS) and increasing fertility.
- The synergy among the different components of Ovafemme ensures an optimal management in restoring hormonal values, ovarian cyclicity, and egg quality.
- By reducing PCOS symptoms, Ovafemme enhances feminine beauty, and minimizes hirsutism and acne.
- Fortified with pantothenic acid (vitamin B5), Ovafemme improves skin, hair, and nails quality.

Use:

Take 3 capsules per day with food or as directed by your physician
