Description

Lactic acid probiotics of Valuemed Pharma Rovalac promotes intestinal microflora balance. Moreover, it helps strengthen the body's natural defenses. Furthermore, the presence of FOS <https://en.wikipedia.org/wiki/Fructooligosaccharide> contributes to the correct development and activity of lactic acid probiotics in the colon.

Use:

The recommended dosage of Valuemed Pharma Rovalac is 1 capsule per day for children and two capsules per day for adults, preferably between meals. If undergoing antibiotic therapy, the dose can be increased.
