Description

Description:

Protect sensitive skin with the Vichy 48hr Intensive Anti-Perspirant Roll On: a breakthrough formula that intensely prevents underarm perspiration for up to 48 hours.

48hr Anti-Perspirant Roll-on intensely formulated with aluminium salt.

The long-lasting anti-perspirant works to neutralise odour without harsh alcohol, or staining clothes. Suitable for intense underarm perspiration, and provides protection for up to 48 hours.

Features:

- Daily anti-perspirant
- Up to 48-hour protection

- Intense formula with aluminium salt that neutralises odour
- Suitable for sensitive skin

Use:

Apply to clean and dry skin under the arms
