Description

Dercos Energizing Conditioner contains Aminexil, hair loss reference molecule, and fortifying complex (vitamins B3/B5/B6 + Ceramide). Its formula nourishes the hair and targets fragilized zones to reinforce the structure of the hair fiber and envelop it with protective film. Moreover, Dercos Energizing Conditioner instantly detangles hair and reinforces it to resist against hair loss.

Hair is stronger and less brittle
Paraben-free, Hypoallergenic

Use:

Use after the Energizing shampoo, on damp hair. Leave in for 1 to 2 minutes. Finally, rinse thoroughly.
