### Description

**Description:**

Targeted energising shampoo designed to treat hair loss and thinning

Vichy Energising Shampoo is designed to reduce the rate of hair loss and maintain the density of thinning hair. It leaves hair feeling nourished, revitalised and reinforced from root to tip. Use in combination with our Aminexil Pro targeted solution to ensure full efficacy.

The shampoo's nourishing formula is enriched with our patented molecule Aminexil and vitamins PP, B5 and B6.

**Features:**

- Reinforces and nourishes hair from root to tip
- Reduces the rate of hair loss
- Tested under dermatological control

## Vichy Dercos Energizing Shampoo

---

- Hypoallergenic formula
- No parabens
- Enriched with Vichy Mineralizing Thermal Water

### **Use:**

1. Massage in gently to wet hair
2. Rinse thoroughly with water
3. Use in combination with our Aminexil Pro targeted solution to ensure full efficacy
