Description

Description:

Repairing conditioner for dry to very dry hair

Dercos Nourishing Cream Conditioner enriched with Keratino-complex and 3 natural plant oils intensely nourishes and protects the hair fibre. Hair is left looking soft, with a healthy looking shine and a silky touch. Use after the Dercos Nourishing Shampoo to ensure full benefit.

Formulated with a keratino-complex and plant oils. These ingredients counteract keratin deficiency and repair hair fibres, nourishing and restoring strength.

Features:

- Tested under dermatological control
- Hypoallergenic formula

Vichy Dercos Nourishing Reparative Cream Conditioner

- Enriched with a UV filter
- No Parabens
- No Colourants

Use:

1. Apply generously to the lengths of clean, washed hair
2. Massage in and leave for up to 2 minutes
3. Rinse thoroughly. In case of contact with eyes, rinse them immediately and thoroughly
