Description

Description:

Inspired by the new generation of aesthetic procedures, Liftactiv Collagen Specialist targets all the ageing signs that are linked to collagen loss. With age, collagen naturally decreases leading to our skin showing multiple signs of ageing. Liftactiv Collagen Specialist boosts the skin's collagen production and fights ageing signs by lifting wrinkles and fine lines, redefining contours and bringing a more even skin tone. With Vitamin CG and Collagen protecting biopeptides, Liftactiv Collagen Specialist has a soft, velvety touch formula that instantly smoothes your skin.

Benefits:

- Targets visible signs of ageing linked to collagen loss
- Lifts wrinkles & fine lines
- Evens skin tone

Ingredients:

Vichy Liftactiv Collagen Specialist

- Green bio-peptide: Short fragments of proteins derived from green peas, capable of targeting specific aging signs caused by collagen loss on skin
- Vitamin C: Known for its brightening properties
- Vichy Mineralizing Water: Reinforce skin natural defenses

Results:

Targets the ageing signs of Collagen Loss. More than 1000 clinical measurements to test efficacy on: firmness, wrinkles, skin tone

Use:

Apply every morning and/or night to clean dry skin
