Description

LiftActiv Specialist Peptide-C Ampoules help to reignite radiance and reduce wrinkles. This dermatologist tested daily dose is a highly concentrated formula of 10% Pure Vitamin C, Natural Origin Hyaluronic Acid, Phyto Peptides in addition to Vichy Mineralizing Water targeting fine lines, wrinkles, lack of firmness and radiance.

The serum in LiftActiv Specialist Peptide-C Ampoules is a highly concentrated formula delivered in a precise, fresh dose. The sterile amber glass packaging helps to preserve the efficacy of ingredients, ensure freshness as well as accurate dosage for each use.

Contents: 10 Pack comes with 1 plastic applicator + cap to be used for all 10 ampoules.

Featuring 10% Pure Vitamin C benefits, Hyaluronic Acid in addition to Phyto Peptides, our formula delivers clinical proven efficacy. From first use, skin is firmer. In 10 days, skin looks smoother & radiant. In 1 month, visibly reduced wrinkles & resurfaced skin texture.

Features:

-Dermatologist Tested

LiftActiv Specialist Peptide-C Ampoules

- Paraben Free
- Fragrance Free
- Allergy Tested

Use:

Use daily before your moisturizer. One ampoule serum is for morning & evening application. Fresh for 48hrs once opened.

- 1) Tap the top to make sure the formula goes to the bottom.
- 2) Wrap a tissue to cover the neck then break open with both hands. *The neck is indicated by the white line on the ampoule serum.
- 3) Twist off & save reusable cap. Then, attach the plastic applicator to open ampoule serum.
- 4) Shake downwards & squeeze plastic applicator to dispense ½ of the formula. Apply to the face. Close the plastic applicator with the reusable cap to keep formula fresh. Repeat steps with remaining formula in the evening.
