Description

Vichy Liftactiv Supreme Cream SPF30, anti-ageing SPF face cream in Vichy's expert anti-ageing line Liftactiv Supreme that delivers clinically-proven results. This anti-ageing moisturizer with SPF has a non-greasy formula with Hyaluronic Acid to help reduce the appearance of wrinkles and ageing skin and protect the skin from further damage caused by UV exposure.

Key ingredient:

-low molecular weight Hyaluronic Acid

Benefits:

- Formulated to target wrinkles whilst helping skin defend from new wrinkles caused by UV
- Intense anti-wrinkle and firming care
- Enriched with progressive release Hyaluronic Acid

Vichy Liftactiv Supreme Cream

- Skin feels firmer as if lifted
- Skin looks plump

Use:

Use Vichy Liftactiv Supreme Supreme Cream SPF30 as your day time moisturiser with added UV protection. Cleanse skin, treat with a booster or serum, apply Minéral 89 then moisturise with Liftactiv Supreme SPF30. For best results use with Liftactiv Supreme Night Care.
