**Ingredients:**

BEESWAX (Cera Apis Mellifera) is a nutritious substance rich in vitamin A, beneficial to cell reconstruction and in specific fatty acids, compatible with skin lipids. Beeswax acts as an emollient and humectant to regenerate and soften skin by drawing moisture to the surface and sealing it in. WHEAT GERM OIL (Triticum Vulgare Germ Oil) contains high amounts of antioxidant vitamin E, omegas 3 & 6 and essential fatty acids. It offers advanced skin protection from UV damage, hydrates cracked flaky and dry skin and provides anti-ageing properties.

**Use:**

Apply generously onto lips, as often as necessary.  
Use alone or as a lipstick base.  
Use throughout the seasons.  
For extra smooth lips, first exfoliate, then apply Lip Care.
